

Volunteer Opportunities

WE WIN BY WORKING TOGETHER.

Day of Action

United Way Day of Action is an invitation for people and organizations around the world to improve the building blocks for a good quality of life. This takes place on or around June 21st. This can also be customized to fit your organization's volunteer needs and corporate values.

Agency Interview Day

Interested in helping make funding decisions for our Partner Agency grants? Be a panel member for this fast, fun event! Learn about local nonprofit programs and the work they do in our community. The event takes place early spring and starts at 8 am and ends at noon.

Operation Community Connect

Operation Community Connect is held in August. This one day event brings resources together for people in need. Volunteers at this event typically help with setting up the event, cooking & serving food, handing out donations and cleaning-up. Volunteer hours are from 8 am to 3 pm and can be broken up in 2 hour slots.

Backpack Event

This event takes place before the school year starts. Any child who attends a school in Carlton County can receive a backpack filled with school supplies. Volunteers are needed to help stuff the backpacks with supplies and help distribute the backpacks the day of the event.

Supplies Drive

Help us collect socks, blankets, and winter jackets for Operation Community Connect and for unsheltered youth. This is as easy as putting out a box in a common area and encouraging employees to donate.
